5. [ ] George Murphy, Joint Committee on Atomic Energy staff, called and asked if he could obtain access to the damage report on [ ]. After checking with [ ] I informed Murphy that [ ] had not had access to Agency material and we did not do a damage report. Murphy said he would check with Department of Defense to see if they have done one.

6. [ ] Met with Mr. John M. Martin, Jr., Acting Chief Counsel, House Ways and Means Committee. Mr. Martin advised that after lengthy discussion in executive session the Committee washed out Section 116, Transfer of Federal Employment Benefits; and Section 136, Hospital Insurance Benefits for Certain Federal Employees of H.R. 5710, Social Security Amendments Act of 1967. These sections were too controversial under present Committee considerations. Should these sections be reinstated, employment credits earned under the Central Intelligence Agency Retirement Act of 1964 will be reinstated along with those for service under the Civil Service Act, and Title VIII of the Foreign Service Act of 1946. Should further consideration be given these sections, Mr. Martin will call me.

7. [ ] Called Miss Julia Neef, Assistant to Senator Spessard L. Holland (D., Fla.) and advised her that the Director of Personnel, Mr. Emmett Echols, has responded to [ ] that he is looking into the problems [ ] has raised, and will be in touch with him after this review is completed. Miss Neef thanked me for the call and asked that we provide a copy of the response. (See Journal, 19 July 1967.)
